Hi Jim,

Unfortunately the LWG is unable to attend a conference call on March 5th or 6th. Can you please provide me a few additional dates for consideration? The week of March 12th and after should work well.

Thank you,
Jen Woronets ☺

Hi Jim,

I forgot to mention that a call in early to mid March would work best for the LWG.

Thank you,

Jim,

During the February 8th Portland Harbor Managers meeting you suggested a conference call be held with

DEQ, EPA and the LWG to discuss hot spots. I would like to start working on a date for this call.

Can you please provide me a few dates that would work well for your team?

Do you think two hours would be sufficient?

Does the state plan to have any legal representatives attend the call?

Thank you,
Jen Woronets ☺
